

Official Communication

To: CAL-PaH Members and Community

Subject: Cancellation of CAL-PaH Romp on March 21, 2020.

Dear CAL-PaH Members and the CAL-PaH Community,

As many of you are aware, the COVID-19 virus pandemic that has struck the world has been escalating rapidly. Both the Federal Government and the Government of Alberta have advised against social gatherings over 250 people and to practice social distancing. It is in line with this that the CAL-PaH Board of Directors have made the decision to cancel our upcoming Romp, which would have been held on March 21, 2020. The Board feels that canceling this event is in the best interest of both the community, our host and everyone in general to help slow and prevent the spread of the COVID-19 virus.

The CAL-PaH Board will make additional announcements this weekend with any further actions we plan to take to both practice social distancing while helping maintain strong ties that keeps our community together during this turbulent time.

Many Thanks,

CAL-PaH Board of Directors
